

SOUTH EAST CRICKET ASSOCIATION

HALL OF FAME

PREAMBLE

The cricket Hall of Fame seeks to recognise and enshrine players, coach's, umpires, administrators, scorers, media personalities and sponsors who have made a significant contribution to the South East Cricket Association and its forerunner competitions since its formation in 1930.

To be nominated as an inductee into the Hall of Fame, the nominee must have demonstrated attributes including longevity, quality of performance, integrity, sportsmanship, good character, administrative dedication and promoted the values of the South East Cricket Association.

Nominees may be submitted by clubs, SECA executive, SECA umpire association or individuals. Nominees will also be considered from clubs that no longer exist or have been involved at multiple clubs within SECA.

Nominees may be living or deceased.

Life membership of SECA remains the highest honour awarded to individuals.

CLUB ROLE

Nominees from clubs or individuals will only be accepted on the appropriate Hall of Fame nomination form provided by SECA. Submissions must clearly state the nominees' statistics and contribution to SECA as per the qualifying guidelines listed.

Nominations will be called for on the 1st September in each year and close on 30th November. Clubs or individuals may nominate up to three prospective inductees per year.

Information gathered with unsuccessful nominations will be kept on file and considered with new nominations each year. Additional information for nominees can be submitted at this time.

As many of our clubs were formed prior to WW2 details on some potential nominees may be sketchy. We ask clubs to diligently search their archives to provide as much detail about their nominees.

SUB COMMITTEE ROLE

The Hall of Fame subcommittee will consist of a chairman appointed by the executive and (2) two additional members recommended by the Chairman to the executive.

The subcommittee members will be unbiased and transparent in all decisions in relation to the Hall of Fame.

In the event of a tied vote for a nominee the Chairman of the subcommittee will have the casting vote.

All correspondence regarding the Hall of Fame should be directed to the Chairman of the subcommittee.

The Hall of Fame subcommittee will receive nominations for assessment, review all applications based on merit and recommend nominees to the SECA executive.

To be inducted into the Hall of Fame nominees must secure at least 75% of the SECA executive vote.

The initial intake of inductees will be (6 to 12) and up to (4) every year onwards.

Nominees elected to the Hall of Fame will be inducted at the SECA Presentation night, Annual General meeting or at an official function organised by the executive.

LEGEND STATUS

The Hall of Fame will include a special category of inductees known as legends. Individuals selected for legend status will have had a major impact above and beyond Hall of Fame status advancing cricket and the success of SECA. To be elevated to legend status nominees must have already been elected to the Hall of Fame.

The exception to this will be in the initial intake for Hall of Fame inductees 2016-2017 when two inductees will be considered for legend status. Every third year onward, (1) additional member of the Hall of Fame may be considered for legend status.

Nominations for legend status will be the responsibility of the Sub Committee and presented to the full SECA executive for consideration. To become a legend a nominee must secure at least 75% of the SECA executive vote.

INTERNATIONAL HALL OF FAME

The Hall of Fame also seeks to recognise players and administrators who's, origins started in SECA or its forerunner competitions and have advanced to a role at international level. Induction will be limited to (1) one per year.

Induction after debut playing at Test level

Induction after appointment into senior role at Cricket Australia
